

27 March 2025

MAI Haoren
Wuhan University
(houyanmak@whu.edu.cn)

Dear MAI Haoren,

Admission to Summer Research Program 2025

Congratulations! We are pleased to offer you a place in the Department of Mathematics Summer Research Program at HKUST! Your application was selected based on your outstanding academic performance and research potential.

We understand that participating in the program requires careful consideration and preparation, and we hope this letter provides you with important information to help you make your decision. This program will be held on the HKUST Clear Water Bay campus during 2 July 2025 – 6 Aug 2025 (both dates inclusive). It provides participants with a stipend of HK\$12,000 to defray local expenses, such as meals, on-campus student hostel (2-3 persons per room), insurance, and 1-credit tuition fee. The student hostel will be reserved for the participants for 5 weeks, check-in on 2 July 2025 and check-out on 6 Aug 2025 at the noon time.

The deadline to accept this offer by replying this email (mathsummer@ust.hk) is **30 March 2025**.

If you accept this offer, then

- in order to ensure sufficient time for internship and visa application, you are required to submit the visiting internship application materials to Undergraduate Recruitment & Admissions Office (URAO) at: <https://join.hkust.edu.hk/admissions/visiting> **on or before 2 April 2025**. Please contact URAO at “ugvisiting@ust.hk” if you have any difficulty with submitting your application materials. The university will notify you regarding the subsequent visa application process.
- if you do not have a Hong Kong and Macao Travel Permit (往来港澳通行证), please apply for it as soon as possible. Sometimes, you may be required to go back to your hometown to apply for it in person. You will need both the Permit and the Visa to enter Hong Kong.
- please arrange your transportation to and from Hong Kong accordingly.

We understand that you may have additional questions about the program or the application process. Please do not hesitate to contact us by sending an email to our PG Team at mathsummer@ust.hk if you have any questions or concerns. We are here to support you and help you make the most of this exciting opportunity.

We look forward to hearing from you soon and hope you will join us for the summer program.

Yours sincerely,

Prof. Tianling JIN
Postgraduate Program Coordinator
Department of Mathematics
Hong Kong University of Science and Technology
